

Music tours are not an inherent right to members of the ensemble; rather, tours and trips are considered privileges. Keep in mind – You are a representative of F.W. Johnson Collegiate and its school community.

It is important that all members of Concert Band and Concert Choir try their very best to prepare for tour. To ensure success on spring tour, members must:

- Attend all rehearsals.
- Conduct yourself in a responsible, mature, trustworthy manner.
- Organize trip costs, and if needed - subsidize by participating in fundraisers.

Trip cost is shared equally among all students participating in tour.

There is a non-refundable \$100 deposit for the 2012 tour to Winnipeg.
DUE – Thursday, January 26th 2012!!

The remaining trip levy will be due in March.
Total anticipated trip cost - \$300.

The non-refundable deposit for the Winnipeg tour is \$100 per student.
